Special thanks to Rich Elijah of Ethiopia and Preethi Suja of India for compiling these verses for us. If you are interested in helping compile verses for one of Judith Bronte's stories, post the name of the story to the "Works of Judith Bronte" group <[http:// www.facebook.com/groups/22214953048/](http://www.facebook.com/groups/22214953048/)> and state what book and chapters you are volunteering to do. There are verses at the beginning and ending of each chapter and interspersed in between. All you will need to do is copy and paste them into a simple text document (rtf, doc, or plain text...). Don't worry about the font. I will take care of that part later. Look at the above document for an example of basic format. Including chapter numbers and names is a nice touch, but don't worry about trying to copy the above format exactly. When you finish the text file, send it to [sarahfall@gmail.com](mailto:sarahfall@gmail.com) as an attachment and she will forward it to me, Sam Fall. I will handle the the fonts and any other missing and minor detail to make a final PDF file that will be posted on the website with the book for others to enjoy. Make sure to include your name in the text file, if you want your work can be credited to you in the final document -- recommended. :) If anyone has any questions, please post them on the "Works of Judith Bronte" group and I will do my best to answer. :)  
Sincerely, Samuel W. Fall
