

# Some Pass By

"A certain man went down from Jerusalem to Jericho, and fell among thieves, which stripped him of his raiment, and wounded him, and departed, leaving him half dead. And by chance there came down a certain priest that way: and when he saw him, he passed by on the other side. And likewise a Levite, when he was at the place, came and looked on him, and passed by on the other side. But a certain Samaritan, as he journeyed, came where he was: and when he saw him, he had compassion on him, and went to him, and bound up his wounds, pouring in oil and wine, and set him on his own beast, and brought him to an inn, and took care of him. And on the morrow when he departed, he took out two pence, and gave them to the host, and said unto him, Take care of him; and whatsoever thou spendest more, when I come again, I will repay thee. Which now of these three, thinkest thou, was neighbour unto him that fell among the thieves? And he said, He that showed mercy on him. Then said Jesus unto him, Go, and do thou likewise."

Special thanks to Preethi Suja of India for compiling these verses for us.

If you are interested in helping compile verses for one of Judith Bronte's stories, post the name of the story to the "Works of Judith Bronte" group <[http:// www.facebook.com/groups/22214953048/](http://www.facebook.com/groups/22214953048/)> and state what book and chapters you are volunteering to do. There are verses at the beginning and ending of each chapter and interspersed in between. All you will need to do is copy and paste them into a simple text document (rtf, doc, or plain text...). Don't worry about the font. I will take care of that part later. Look at the above document for an example of basic format. Including chapter numbers and names is a nice touch, but don't worry about trying to copy the above format exactly. When you finish the text file, send it to [sarahfall@gmail.com](mailto:sarahfall@gmail.com) as an attachment and she will forward it to me, Sam Fall. I will handle the the fonts and any other missing and minor detail to make a final PDF file that will be posted on the website with the book for others to enjoy. Make sure to include your name in the text file, if you want your work can be credited to you in the final document -- recommended. :) If anyone has any questions, please post them on the "Works of Judith Bronte" group and I will do my best to answer. :)

Sincerely, Samuel W. Fall
